The Need Is Great –

As a nonprofit theatre, only 50% of our annual budget is met through ticket sales. In keeping with our commitment to provide affordable theatre, your support is vital to bridge our gap.

Our costs add up:

- \$100 pays for 1 to 2 costumes
- \$250 pays for batteries for body mics
- \$500 pays for props for a musical
- \$1,000 pays for royalties for 1 night of a musical performance
- \$1,500 pays for one new lighting instrument
- \$2,000 pays for lumber to build a set

Because of the significant loss in city funding, we are now totally dependent on our community for your support. It is only with your patronage that we can promise the Lewis-Clark community many more decades of drama, laughter, joy, and community leadership.

Will You Help Us Reach Our Goal? –

We are asking community business owners, leaders, and artists to provide an item for our Silent Auction or Live Auction. We have found the “sweet spot” for silent auction items to be unique things or experiences that are valued around \$75-\$100. Additionally, in order to make our Live Auction very special, we are putting together packages or one-of-a-kind/hard-to-find items valued at around \$500 or more.

You Can Make a Difference –

Supporting your local theatre with your donation is more valuable than you think! Your support is invaluable to our success. With your donation, you are helping us meet our mission of enriching the lives of every community member by fostering and expanding a love for live theatre in a safe, inclusive, and collaborative environment.
