Who's Who?

Paul Segren (Charles Condomine)

Paul Segren is honored to be performing with such an amazing cast. Born in Clarkston, and a graduate of CHS (go Bantams!!), Paul returned to the Valley and the Civic Theatre in 2016 as George Banks in *Mary Poppins*. His passion for live theatre and the Civic continues.

Taya Clift (Elvira Condomine)

Although this is Taya's first show with the Lewiston Civic Theatre, she has been passionate about performing since she was 11 years old. She had the pleasure to perform with the Ferndale High School Theatre throughout her schooling, including at the 2017/2018 5th Avenue Awards for 'Outstanding Overall Musical'. She would like to thank her family and express her gratitude towards the cast and crew of *Blithe Spirit* for being so kind and welcoming.

Carrie DeBerard (Ruth Condomine)

Carrie DeBerard has been a part of the Civic family since moving to the Valley in 2015. She is so grateful to be a part of this production! Some of her favorite Civic roles have been Carlino in *Wait Until Dark*, the Stranger in *War of the Worlds*, and assistant directing *Sweeney Todd* in the long-ago era of 2019. She would like to thank her husband, Matt, for always pushing her to do amazing things, her cats for patiently running lines with her, and the awesome folks who keep coming to watch the stories we all love to bring to the Valley. She hopes you enjoy the show!

Travis Osburn (Dr. Bradman)

Last seen as Cogsworth in the 2019 LCT production of *Beauty and the Beast*, Travis hopes the COVID-sponsored break can be officially over. When not rehearsing, Travis spends his time helping students fund their educations in the Financial Aid Office at Lewis-Clark State College.

Who's Who?

Katherine Black (Violet Bradman)

Katherine Black is thrilled to perform for the second time with the Lewiston Civic Theatre. Her last performance was in *The Addams Family* as a crazy Ancestor. She's honored to take on the great acting challenge of doing a British dialect in this production, with such a talented cast. She just moved here from New York in August. She has been in numerous film projects, voice-over, print modeling, and dance troupes. During the pandemic, she has appeared in 11 Virtual Theater Productions with the Old Library Theater, West Hudson's Arts and Theater Company, FalconWorks Theater Company, and AlphaNYC Theater Company in New York and New Jersey. Her recent voice-over work includes two series of Scyther's Audio Drama Power Rangers, a digital Anime/Manga web series, End Titus, that just won NJ Film Awards "Best Web Series" in December 2021 and she is still working on voicing Lee Bronson's, Mythos on the Train 2, which will be coming out soon. Now sit back, relax with a cup of hot tea, and enjoy this show with LOTS of laughs.

Cathy Jo Zeller (Madame Arcati)

Cathy Jo Zeller is a theatre "has-been," and has been on various stages since she was quite tiny. CJ last performed at the Regional Theatre of the Palouse in Pullman, WA, as Grandma Addams in *The Addams Family*. CJ enjoys pickleball, crafts, and acting up. "My goal is to entertain you; my triumph is if I succeed."

Kate Laws (Edith)

Kate Laws works at the LC State Testing Center by day and is a rock star with her band, Redheaded Stepchild, by night. She returns to the LCT stage after a three-year hiatus while she takes a break from being a Creative Writing and Publishing student at the college. She would like to thank her family and friends for all their support!

Director's Note

When I was teaching English and dramatic literature, students would complain that they wanted to read popular scripts, not the classic ones, which I was always tucking them into. Here is one for all of us—both popular and classic!!! This *Blithe Spirit* script was written in 1941 to amuse British audiences experiencing the early attacks of World War II, and its supernatural theme created a level of humor to lift them above the horror of military battle. Join us as we call up the blithe spirit. It will be fun; I promise you.

Agatha Christie's Murder on the Orient Express

Written by Ken Ludwig

Directed by Amanda Marzo

Just after midnight, a snowdrift stops the Orient Express in its tracks. The luxurious train is surprisingly full for the time of the year, but by the morning it is one passenger fewer. An American tycoon lies dead in his compartment, stabbed a dozen times, his door locked from the inside. Isolated and with a killer in their midst, the passengers rely on detective Hercule Poirot to identify the murderer – in case he or she decides to strike again.
